FIG. 10
PRIOR ART

This diagram shows a cross-section of a multi-panel folding door system. It features three vertical panels (2) separated by vertical dividers (3). The panels are mounted on a top track (14) and a bottom track (16). A top hinge assembly (18) is shown connecting the panels to the top track. A bottom hinge assembly (24) is shown connecting the panels to the bottom track. The entire assembly is shown within a dashed rectangular frame.
